JUL 10 2007

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF GEORGIA
ATLANTA DIVISION

JAMES N. HATTEN, Clerk
By. *[Signature]* Deputy Clerk

IP Co., LLC, et al.,

Plaintiffs,

v.

CELLNET TECHNOLOGY, INC.,
et al.

Defendants.

CIVIL ACTION NO.
1:06-CV-3048-JEC

ORDER TO BE FILED WITH THE USPTO

Cellnet Technology, Inc., ("Cellnet") has asserted that Hunt Technologies, LLC ("Hunt") is the owner of certain U.S. Patents whose ownership is asserted by SIPCO, LLC ("SIPCO"), based upon a contractual provision that reverts ownership to Hunt of patents materially related to the Utility Field of Use, if SIPCO commences a patent infringement suit under the patent in the Utility Field of Use. CellNet contends that Civil Action No. 1:06-CV-03048-JEC (N.D.Ga.) contains a claim asserting infringement of U.S. Patent No. 7,103,511 in the Utility Field of Use. Accordingly, CellNet infers that ownership of the patents listed below have now reverted to CellNet.

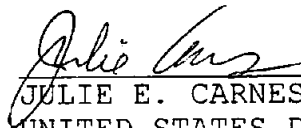

This Court has concluded that Cellnet and Hunt are not likely to succeed in this contention that the patent infringement claim in the Complaint filed as Civil Action No. 1:06-CV-03048-JEC (N.D.Ga.),

asserts infringement in the Utility Field of Use. Accordingly, CellNet has failed to demonstrate that ownership of the patents in question will thereby revert to CellNet or Hunt. Therefore, this Court finds preliminarily that the contractual provision triggering reversion of ownership of this patent to CellNet or Hunt was not triggered.

Accordingly, the Court has entered an Order, this date, enjoining Hunt and CellNet, and any parents, subsidiaries, officers, or directors, from:

- (1) assigning, licensing, granting security interest, or otherwise conveying or encumbering any of the following patents and patent application: U.S. Patent Nos. 6,891,838, 6,914,893, and 7,103,511 and U.S. Patent Application Nos. 09/925/786 and 09/925,270 ("the Enjoined Patents"); or
- (2) filing with the United States Patent and Trademark Office ("USPTO") any further claims of ownership of title to the Enjoined Patents.

SO ORDERED, this 10 day of July, 2007.

JULIE E. CARNES
UNITED STATES DISTRICT JUDGE
